★ **EARLY ACCESS**

NCR's first merchants — join now Everything FREE! (Till 31 March 2027)

- › Become the **first digital merchant** in your neighborhood
- › Use the app, **give your suggestions** — we will make it better together
- › **Early merchants** will always get special priority

WHY JOIN NEARPOP — 6 BIG REASONS

Accurate GPS targeting

Your offer goes to **only people** walking near your shop — not the whole city.

See everything — Live

See how many people passed by, how many got the popup, and how many visited. **The result of every notification** is on your screen.

Early Access — Everything FREE

From listings to notifications — **everything is completely free**. Help us shape the app.

Unlimited listings

Deal, Flat, PG, Job — **as many listings as you want** Add them.

You have complete control

Listing **edit, pause या delete** — whenever you want. Set an expiry date for a flash sale.

App is also available

NearPop is available on the **Google Play Store** — but it can also be used like a website on Android and iPhone without downloading the app.

HOW TO GET STARTED — 4 EASY STEPS

1

Open Website/App

Go to www.nearpop.in, choose "Merchant", and log in with Google

2

Add your business

Enter your shop name and category — **completely FREE**

3

Add a listing

Add your offer and price, pin your location, and set the radius

4

GO LIVE!

Nearby customers will immediately start receiving notifications!

✗ **OLD WAY**

- ✗ Pamphlet — ₹1,000+, you don't know who will read it
- ✗ WhatsApp broadcast — people ignore them
- ✗ Google Ads — ₹20-₹50 per click, complicated
- ✗ JustDial — ₹500+/month, no GPS targeting
- ✗ Result? — you cannot even know the result

✓ **THE NEARPOP WAY**

- ✓ **During Early Access FREE** — listing + notifications
- ✓ Send offers directly to GPS-verified nearby customers
- ✓ Live dashboard — real-time data at all times
- ✓ Give suggestions — we will improve the platform
- ✓ Result? — 89 customers, ₹0 cost — you can see everything
